

## **GOAL Academy High School**

### **2019-2020 Graduation Requirements have been modified due to COVID-19**

Due to the current COVID-19 Pandemic, GOAL Academy administration has put the following plan in place to address the Workforce Certification graduation requirement. Currently, staff are unable to proctor the required assessment that must be passed to earn the Certification.

#### **22 Credit Standard Graduation Pathway**

- As a part of GOAL Academy’s graduation requirements, all 2020 graduates were required to earn one of the following:
  - A Workforce Certification at a minimum of a Bronze Level - Earned through the ACT WorkKeys Product, or
  - Successfully participated in a College Class through the GOAL Academy Concurrent Enrollment Program, or
  - Successfully participated in and/or earned a Career and Technical Education Certification
- **Due to the COVID–19 Pandemic circumstances, these requirements will be waived.**
- **Students who satisfy the required 22 Credits will be eligible to graduate in June 2020.**

#### **Senior Recovery Graduation Pathway**

- As a part of GOAL Academy’s graduation requirements, all 2020 graduates were required to earn the following:
  - A Workforce Certification at a minimum of a Silver Level - Earned through the ACT WorkKeys Product
- **Due to the COVID–19 Pandemic circumstances, this requirement has been changed for the 2019-2020 school year as followed:**
  - As a part of GOAL Academy’s graduation requirements, all 2020 graduates must complete one of the following:
    - A Workforce Certification at a minimum of a Silver Level - Earned through the ACT WorkKeys Product **if** it was earned before the “virtual only instruction” directive was implemented.
  - OR**
  - WorkKeys Applied Math Level 5- at an 80% or higher and WorkKeys Graphic Literacy Level 5- at an 80% or higher- Earned through the Act WorkKeys Curriculum Product
- AND**
- **Students are still required to earn a 10<sup>th</sup> grade reading proficiency (GLE 10.0 on STAR).**
