

Wednesday, August 5, 2020

Dear Parents, Guardians, Students,

We are excited here at GOAL High School to WELCOME you to the 2020-2021 School Year!

All 36 student drop-in centers are open Monday – Friday 9-5 for enrollment. All local, state, and national covid 19 protocols are in place. If you plan to attend a center, please bring a mask, be respectful of social-distancing, and expect to have a temperature check and fill out a short health survey. If you are not feeling well, please do not come to the site; instead, call to set up a virtual meeting with our administration, administrative assistant, counseling team, teaching staff, or academic coaches.

We are currently at 50% staffing daily. Orientations are taking place during the month of August. If you are planning to take advantage of our concurrent enrollment program (free college credit) please call to schedule an orientation as soon as possible. The first day of school for GOAL courses will be Monday, August 31st.

Whether you are a returning student or just considering GOAL as your school of choice, we would love to hear from you. Truly, these are difficult times. Let us know how we can assist you, educationally, or otherwise.

We look forward to the opportunity to serve you this school year!

Be Well,

GOAL High School Staff
