

Automatic Waivers for Charter Schools

The General Assembly enacted the Colorado Charter Schools Act of 1993 (Act), C.R.S. 22-30.5-101 et seq., to encourage new and innovative methods of educating students by allowing for public charter schools which would have greater control over decisions related to educational programming in exchange for increased accountability for performance. C.R.S. 22-30.5-102. Consistent with this legislative intent, the Act allows charter schools to request waivers from certain state statutes and rules. There are two types of waivers: automatic and non-automatic waivers. Automatic waivers are automatically granted to charter schools upon the establishment and renewal of a charter contract, whereas non-automatic waivers require rationale and replacement plans.

Pursuant to C.R.S. 22-30.5-104(6)(b), the State Board of Education has promulgated rules that list the automatic waivers for all charter schools. 1 CCR 301-35, 2217-R-3.01. In promulgating the list of automatic waivers, the State Board of Education considers the overall impact and complexity of the requirements specified in the statute and the potential effects that waiving the statute may have on the practices of a charter school.

Pursuant to C.R.S. 22-44-305(2), the Colorado Department of Education (CDE) and the Colorado Charter School Institute (CSI), working with the Colorado League of Charter Schools (CLCS), developed the following standardized description and rationale for each of the statutes included on the list of automatic waivers. C.R.S. 22-63-403 Teacher Employment, Compensation, and Dismissal Act – Payment of Salaries upon Termination. This statute requires that upon the dismissal of a teacher and prior to the end of that teacher’s employment contract, each school district must pay the pro rata share of salary installments due and payable under the employment contract for the period during which no services are required to be performed.
