

Charter School Name: GOAL Academy

Authorizing School District (or CSI): District 49

Overview

A charter school is required to comply with all of the state financial and budget rules, regulations and financial reporting requirements pursuant to Section 22-30.5-112(7), C.R.S. An authorizer may choose to include/incorporate charter school responses on the authorizers Form AFA2022. However, this form is required pursuant to Section 22-11-206(4), C.R.S. when an authorizer requires charter school(s) within the district to complete *their own* FORM AFA2022. The assurance form must be submitted certifying substantial and good-faith compliance with the a) School District Budget Law, b) Financial Policies and Procedures Act, c) Public School Financial Transparency Act, and d) accounting and reporting. The Colorado Department of Education monitors compliance by reviewing finance data pipeline submissions, audited financial statements, financial transparency websites, and responses from management to inquiries related to those reviews. Good-faith compliance is determined, in part, by the assurances provided below as certified by those charged with governance.
