

GOAL HIGH SCHOOL

Showcase School Update - 2023-2024

How did we do it?

- The Microsoft Education Transformation Framework
 - [K12 Education Transformation Framework | Microsoft Education](#)
 - Must be Leading in the majority of categories, and no less than Advancing in any others.
 - GOAL is Leading in ALL categories!
 - Must have staff certified on certain pathways
 - Microsoft Certified Educator (2% of staff)
 - Microsoft Innovative Educator Expert (8 staff members, GOAL has 10)
 - Advanced Industry Credentials in Tech (4 staff members, GOAL has 6)

We are a Showcase School!

- GOAL has been renewed for the fifth straight year!
- SCS is a very exclusive program
- Most schools are not able to stay in the program
- Many benefits to GOAL

What does it mean?

- One of the highest honors a school can receive for innovative educational solutions through technology!
 - GOAL is recognized as a worldwide leader in education and technology
 - We “disrupt” the traditional models to achieve great results in students
 - Our educators are committed to engaging our students in new, creative ways
 - Our technology is state-of-the-art and is fully aligned to student success
 - Our school leadership is committed to developing a growth mindset in all we do
 - Innovation is encouraged and rewarded to unlock student success

Showcase Statistics

- GOAL is proud to be a member of a very exclusive community!
 - Just over 320 worldwide
 - Only 30 in the United States!
 - Only 3 in the Mountains region!

And another exclusive for GOAL!

- We are proud to have a seat on the Showcase School Global Advisory Board!
 - 12 members
 - Truly worldwide, only three from the USA
 - We collaborate and represent GOAL on a worldwide scale!
 - Blogs, opinions, guidance, and brand awareness!

A huge award in 2023!

- GOAL was the winner of the SCS Biggest Impact Award for 2023!
- One of three schools to win
 - Americas
 - Europe/Middle East
 - Asia
- There is no higher recognition of the work we do!

Benefits to GOAL

- State, National, and Worldwide Brand Awareness
- Educational support
- Product and technology support
- Licensing benefits and cost savings
- Thought exchange and collaboration
- Additional opportunities (blogging, podcasting)

Thank you to the Board!

- Without your support, we could not innovate and take risks to be great
- Without your support, we could not invest in solutions and ideas to creatively reach our students
- Without your support, we could not be a Showcase School!
