

GOAL Academy High School

School Accountability Committee goals and objectives 2024-2025

The School Accountability Committee's primary goals and objectives include:

1. The school accountability committee will inform stakeholders in communities GOAL serves about the school performance status as a performance school and work to provide input on strategies to improve appropriate instruction to students and increase student outcomes.
2. The school accountability committee will inform stakeholders in communities GOAL serves on school financing and how priorities are set on the school budget.
3. The school accountability committee will inform stakeholders in communities GOAL serves on goals and progress of the strategic plan through the work of pillars.

The goals and objectives are being met by:

1. Public posting of agendas.
2. Providing opportunities for input through quarterly meetings and surveys.
3. Providing ongoing and continuous updates on the Pillar work as outlined in the school's Strategic plan.
