

Library Resource Standards for Schools

Section: C – General School Administration

Policy Number: C-5

Policy Name: Library Resource Standards for Schools

Approval Authority: Board of Directors

Responsible Executive: Chief Executive Officer

Responsible Office: Chief Executive Office

Originally Issued: 8/26/2025

Revisions:

1. Policy Statement

- a. Policy adopted in order to comply with the requirements of SB 25-063 requiring schools to establish procedure regarding the removal of resources and create certain protection for school librarians. However, GOAL Academy does not have a student library, due to the online format and multi-location of student sites throughout the state.

2. Reason for Policy

- a. The purpose of the policy is to comply with the legal requirement of having a library resource standards policy in place.

3. Who Should Read This Policy

- a. All members of the GOAL Academy community

4. Related Documents

- a. None

5. Contacts

- a. Sr. Director of Accountability

6. The Policy

The school does not operate a student library. Procedures regarding the removal of resources are not applicable to the school.
